The smart locker system for the hybrid workplace

The way we work is changing and flexibility is now expected. With our self-service smart locker system, your people can work how they want, with secure storage when and where they need it. Make your workplace more flexible, employee- and resource-friendly.

A smarter system that's easy, seamless and scalable

Create a more dynamic work environment that can flex to your changing needs

One smart system, so many ways to use it

With a simple click, you can assign and re-assign any locker to be more than just personal storage

The business case stacks up

Opt-in to higher efficiency and adaptability, with a more sustainable and flexible solution

Don't pay for air

Did you know that 40% of office lockers go unused?

Self-serve lockers are hassle-free

Your people can help themselves to more than just the coffee.

Better for the finance team and the planet

A more flexible and sustainable approach to workplace storage.

Flex to be future-ready

Smart locker technology enables you to adapt quickly when workplace needs change.

You'll be in good company
